 "Commitment to excellence through a focus on well-being, building community and student growth."

Orange Shirt Day

On Orange Shirt Day, many Sinclair staff and students wore orange as a call to reflection and action.

Throughout the school, students and staff took time to recognize the meaning behind the day and our shared responsibility to listen, learn, and remember.

A special thank you to Mr. R Murray for putting together the display cases and mural that helped bring this learning and reflection into our school spaces.

Terry Fox

What a way to celebrate Terry Fox!

This year's event featured Sinclair's first-ever inflatable soccer and Soak a Teacher, bringing lots of energy and school spirit while supporting an important cause.

A huge thank you to our Phys. Ed. Department, Ms. Palmer, and the Arts department for putting together such an amazing event for our school community!
