Department Highlight

Classical Studies and International Languages, FSL Department

We want to share some incredibly exciting news and extend a massive congratulations to our Grade 12 French students! Over the past few weeks, these dedicated individuals have been putting their language skills to the test by participating in the DELF (Diplôme d'Études en Langue Française) examinations. This internationally recognized official certification assesses their ability to listen, speak, read, and write in French in real-world situations.

Taking on the DELF requires an immense amount of preparation, courage, and hard work, and our students have risen to the challenge beautifully. To our Grade 12s: your commitment to becoming bilingual global citizens is truly inspiring, and the entire school community—staff and parents alike—is incredibly proud of your efforts.

Félicitations !
