Guidance Important Dates and Information

Starting this week, appointments will be available for students to book with their grade based counsellor through the Guidance Google Classrooms. Appointments are visible up to two weeks in advance, so everyday more appointments will become available. If a student does not see any availability right away, that means the counsellor is currently booked up. For students who have general questions, they can come to Guidance at lunch. However, if they have specific questions for their counsellor, we encourage them to check daily for new appointments.

If students are not yet in their grade Guidance Google Classrooms, we encourage them to check the bulletin board outside of Guidance for the class code and join up as soon as possible.

Important Reminders

Drop off and Pick up:
Student drop off and pick up by vehicle is at the northeast of the school near student parking. Staff parking is not accessible. Bus zones at the west side of the school by the main entrance is reserved for busses only. Please follow all signage including one-way roads.

Students with a Study Period who choose to remain on school property are required to go to the library for that period.
