The screenshot shows a web interface for course selection. A modal window is open, displaying details for the course 'HFN2O1 - Food and Nutrition'. The modal has a close button (X) in the top left corner. The course title is 'HFN2O1 - Food and Nutrition'. Below the title, it shows 'Grade 10' with a person icon, 'HFN2O1' with an Apple icon, and '1 Credit' with a document icon. The main body of the modal contains a detailed description of the course, focusing on guidelines for making nutritious food choices, factors influencing food choices, and the environmental impact of food choices. At the bottom of the modal, there is a 'Course Status' section with three buttons: 'Planned' (highlighted in blue), 'In-Progress', and 'Completed'. Below the status buttons is a large blue button labeled 'Add Course'. The background of the interface shows a list of other courses, including 'HSB4U1 - Challenge', 'HFC3M1 - Food and Nutrition', and 'HFA4C1 - Nutrition'.

This course focuses on guidelines for making nutritious food choices. Students will investigate factors that influence food choices, including beliefs, attitudes, current trends, traditional eating patterns, food-marketing strategies, and individual needs. Students will also explore the environmental impact of a variety of food choices at the local and global level. The course provides students with opportunities to develop food-preparation skills and introduces them to the use of social science research methods in the area of food and nutrition.

SPECIAL CERTIFICATES

Sinclair offers special certificates in
Business, Technology and the Arts:

✓ You need 6 credits in the subject area to earn the certificate

To qualify for an International Language Certificate:

✓ You need grade 9 – 12 French

- When you choose courses, it is important that you do some honest self-assessment, matching your ability with your interests and aptitudes.
- There are many pathways to the destination you dream of.

THINK ABOUT YOUR OWN CAREER JOURNEY

- Be mindful of your destination, but focus primarily on the journey.

- Remember that pathways are changeable and flexible. As interests, skills and aptitudes develop and mature, there will be many opportunities for you to re-chart your journey.
- **Work hard and be optimistic about your future!**

DON'T FORGET

- Your IPP (Individual Pathways Plan) can also assist you with your course selection.

The screenshot displays a user interface for a student dashboard. At the top right, there is a dropdown menu set to "Gr. 9" and icons for a home indicator, notifications, and email. Below the header, the "Home" section contains a navigation bar with "Dashboard" (highlighted), "Tasks", "Class Activities", "Goals", and "Portfolios". The main content area features a dark background with the heading "Complete your IPP Tasks" and a sub-heading "Individual Pathways Plan (IPP) Tasks help you plan your education and career while earning points for prize draws." Two buttons are present: "View All Tasks" and "Show Prizes". A modal window is open, titled "High School • Plan" and "Plan Courses for Grade 10", showing a progress bar and "100 points" earned. At the bottom, a "High School Progress" section is partially visible.

Reminders....
