

June 2, 2020

Dear Parents/Guardians,

With the news that our school will remain closed for the rest of the school year, the DDSB has developed a procedure to allow for safe retrieval of student belongings and the return of materials such as musical instruments, library books, and Chromebooks for graduating grade 12 students and those moving away from the district.

This plan has been approved by the Ministry of Education and Durham Region Health Department. In order to accomplish this as safely and efficiently as possible, please review the instructions in this message carefully.

Access Dates and Times

Access to retrieve personal belongings will be made available Monday, June 8, 2020 to Friday, June 12, 2020, between 9:00 am and 3:00 pm.

Students with pre-existing medical conditions (i.e. students who are at a high health risk for susceptibility to illness) resulting in accommodation needs specific to the retrieval of items will be prioritized. Our school team will work with parents/guardians individually on arrangements. Please contact Vice Principal Andrew Lue and Administrative Assistant Janet Burry at andrew.lue@ddsb.ca and janet.burry@ddsb.ca or call 905-666-5400.

Our school has been divided into zones, based on student locker location, and each student will be allotted a 10-minute maximum time slot. Please consult with your child(ren) if you do not know which zone to register for. Here are the following zones for our school:

Returning School Owned Materials and Chromebooks

Students should be prepared to bring back school owned materials such as musical instruments, library books, textbooks, etc.

Grade 12 students, and students not returning to the DDSB, should be scheduled as close to the end of the school year as possible, to coordinate the returning of Chromebooks, instruments, textbooks, etc.

Students in all other grades should hold onto their DDSB issued Chromebooks in preparation for the upcoming school year.

Instruments, textbooks, and any other items being returned to the school must be clearly labelled at home with the student's grade, homeroom teacher name, and student first and last name.

Parents/guardians and/or students are expected to:

- Arrive at the school 5 minutes prior to the designated time;
- Conduct self-screening measures;
- Respect physical distancing requirements;
- Provide identification if requested;
- Retrieve their own belongings; and
